**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING THE CITY OF CHULA VISTA'S MOTION TO INTERVENE**

Summary

On June 20, 2003, a motion was filed pursuant to Rule 45 of the Commission's Rules of Practice and Procedure by the City of Chula Vista (City) to intervene in the above-captioned proceedings. Although the City did not participated in the first two Prehearing Conferences, nor did it file a protest to the application, it asserts that it will be directly and substantially affected by any Commission's decision affecting San Diego Gas & Electric Company's rates, operations, practices, services and facilities. The City does not seek any delay in the schedule adopted in the Assigned Commissioner's Scoping Memo nor does it

seek to expand the already adopted scope of the proceeding. The City indicates that it intends to actively participate in the proceeding.

2. Additions to the Service List

The City seeks to have David L. Huard and Randall W. Keen, attorneys with Mannatt, Phelps & Phillips, LLP added to the service list. Mr. Huard is already an Interested Party on the service list as counsel for ENRG so Mr. Keen shall be added too, and both may represent the City as an Interested Party. In addition, Ann Moore, City Attorney and Glen Googens, Senior Assistant City Attorney for the City, shall be added to the Information Only portion of the service list. Good cause appearing,

IT IS RULED that:

1. The request of the City of Chula Vista to intervene as an active party in this proceeding is granted.
2. Parties will not be served a hard copy of this ruling under the electronic service protocols adopted for this proceeding.

Dated June 30, 2003, at San Francisco, California.
